Tuition Policy for All Programs

Annual tuition is based on the 10-month academic year. Tuition may be paid in full at the time of registration, or in ten monthly payments.

Registration Fee, Materials Fee, and Tuition Deposit (one payment applied to the last four weeks of tuition of the academic year), are due upon confirmation of enrollment. These fees are not refundable, nor can they be applied to other charges, including tuition, if withdrawing from school. _____(initial)

Thereafter, payments will be due on the first day of each month (September through May), regardless of the student's schedule.

Tuition is not subject to refund, adjustment or credit for any student absence due to illness, holidays, non-school days, vacation, or any school closures for reasons such as, but not limited to health and safety concerns, fire, earthquake, flooding, terrorism, or a pandemic. We do not offer make-up days for days missed in absence. _____(Initial)

A \$15 late payment fee will be charged after the fifth day of each month for which tuition is not received and will continue to be assessed every five calendar days thereafter.

A \$30 fee will be charged for each check returned by the bank.

A four-week written notice is required for any schedule changes or withdrawals.

At its discretion, Legacy Montessori School reserves the right to terminate a student's enrollment for reasons of non-cooperation, non-payment of fees, or inability of student or parents to adjust to the school's programs or policies. California Community Care Licensing has the authority to inspect the facility, review records, and interview students without a parent's consent.
